EIGHT RESIDENTS AND BUSINESS OWNERS ELECTED TO CAJON REDEVELOPMENT PROJECT AREA COMMITTEE

Election results will be official on May 3

(San Bernardino, CA) Eight residents and business owners from the community of Muscoy and the area along Cajon Boulevard earned enough votes from their peers Wednesday night to be elected to the Cajon Redevelopment Project Area Committee.

The committee will identify and recommend public improvement priorities for their community through several public meetings this year with their neighbors and area business owners.

On May 3, the Board of Supervisors is scheduled to certify the results of the election held at Arroyo High School. There is a 15-day period during which a challenge of the election results may be filed.

The residents and business owners tentatively elected Wednesday were: Linda Thacker, Myra Hazlet, Susan Dawson, Michael Farnam, William Fanning, Kenneth Kreitz, Michael Ewing and Nelson Selmer.

If not successfully challenged, they will join a representative of the Blake Street Little League, the community organization appointed to the Project Area Committee by Fifth District County Supervisor Josie Gonzales.

The first meeting of the committee will be held in May.

"I congratulate the eight residents and business owners for their commitment to the community. They will play a critical role in the future of their neighborhoods," said Gonzales. "I also commend the other seven candidates, who also showed their love for their community. I hope they will continue to participate by attending the committee meetings."

One-hundred-sixty-one ballots were cast in Wednesday's election.
